

## Make-A-Wish Foundation® of Maine

*Thank you to our generous donors, who gave the following contributions between February 1 and May 31, 2008.*

The Circle of Angels is an annual giving club to recognize individuals who donate \$1,000 or more to the Make-A-Wish Foundation of Maine.

Circle of Angels is inspired by eighteen-year-old Brandi, of Sidney, who wished, in 2002, to travel to New York City to give guardian angel pins to children who lost their parents in the September 11th attacks. She handed out more than 1,000 specially designed guardian angel pins to children who lost parents as well as to firefighters and police officers who lost colleagues. All Circle of Angels donors receive one of Brandi's angel pins, a periodic newsletter, and invitations to special events.

Within the Circle of Angels, there are the following societies:

**Angel** — individual annual gift of \$1,000 or more.

**Wishmaker** — individual annual gift of \$6,000 or more.

**Chris Greicius Society of Joy** — individual annual, deferred, or planned giving of \$10,000 or more.

**Chris Greicius Society of Hope** — individual cumulative lifetime giving of \$25,000 or more.

**Chris Greicius Society of Strength** — individual cumulative lifetime giving of \$100,000 or more.

**Hope Stout Society** — individuals who have reached \$1 million in cumulative lifetime giving.

---
